

# RELIABILITY, TECHNOLOGICAL CAPABILITIES AND INNOVATION CAPACITY

## 50-YEAR EXPERIENCE IN DOMESTIC APPLIANCE COMPONENTS

We have the world's largest range of components and systems for **gas cooking equipment and induction cooktops**. We also have a wide family of components for **washing appliances** and **gas heating systems**.

## CUSTOMERS ALL OVER THE WORLD

Copreci is one of the world's leading manufacturers of components for domestic appliances. We work for **Bosch, Siemens, Whirlpool, Indesit, Electrolux, General Electric, Miele, Weber, Char-Broil, Mabe, Arçelik, Vestel, Haier, etc.**

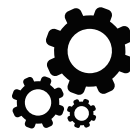

### CUSTOMER ORIENTATION

The driving force behind Copreci is the **experience** shared with our customers.

### GLOBAL MANAGEMENT

We can adapt to the different markets still sharing a single management system and **technology know-how**.

### TECHNOLOGICAL CAPABILITIES

We know what customers might need, suggest **cutting-edge solutions** and offer them our **manufacturing capabilities**.

### SOLVENCY

Trusting our **resources** and our **financial status** are our guarantee for the future. With the support of our **bank, Laboralkutxa**.

### LEAN MANUFACTURING

**Make it simple, make it lean**, with fewer processes, less stock, fewer operations, and more value added.

### PART OF A BIG FAMILY

We are part of **MONDRAGON**, a corporation made of autonomous, independent cooperatives with manufacturing facilities and branches in **41 countries** and sales in more than 150 countries.

## THE HEART OF YOUR APPLIANCE

# DOMESTIC APPLIANCE COMPONENTS

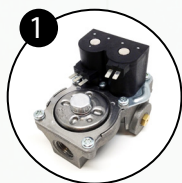

## COMPONENTS FOR WASHING APPLIANCES, HIGH EFFICIENCY AND LOWER NOISE LEVEL

Copreci develops components for household appliances that improve their performance and provide the end user with **greater ease of use and safety**.

Our knowledge of the **washing process** means we can offer a wide range of regulation and control systems, such as drain pumps and recirculation pumps, etc. for washing machines, dishwashers and electric dryers, and valves for gas dryers.
